

5-WEEK LEAD TIME

Diesel Engines

KOHLER[®]
IN POWER. SINCE 1920.

KOHLER[®]
IN POWER. SINCE 1920.

THE WORLD MOVES FAST. SO DO WE.

Get your KOHLER engines in just 5 weeks.

Introducing the KOHLER optimized production process - better, quicker, more agile. The industry's new delivery standard, our process provides you with the diesel engines you need faster than ever before.

HOW IT WORKS

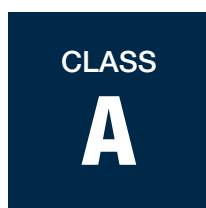

Send a forecast every week with your purchase plans for the next five weeks, as well as your forecast for the next three months. And you'll receive your diesel engines in just five weeks.

BENEFITS

- Win more sales opportunities
- Support aggressive production planning
- Lower working capital, improved cash flow

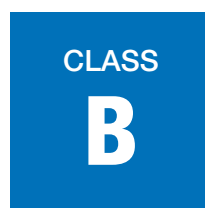

DETERMINATION OF DELIVERY CLASS

5-week
delivery time

Engines with purchase
forecast order

8-week
delivery time

Engines without purchase forecast
with parts that have average
inventory turnover and
procurement times

More than 8-week
delivery time
